

Common Ground Catering

Introducing CoGro!

Welcome to Common Ground Coffee House, a student-run cafe located on the second floor of the Queen's Athletics and Recreation Centre. We specialize in made-to-order bagels, premade wraps, baked goods, and handcrafted drinks, all for students, by students.

Clubs - what do you need?

As a Queen's and AMS business, CoGro hopes to fulfill the needs of students. Clubs are a big part of student life, and your events bring even more to campus. We want to collaborate with you to bring good eats and treats to your events. Choosing CoGro Catering for your events and meetings means you are supporting for students, by students, and helping bring the Queen's community closer.
